

County Unit Voting Doomed by High Court

WASHINGTON (AP)—The Supreme Court ruled today that all votes in statewide elections must have equal weight—thereby dooming voting by county units.

While the 8-1 decision specifically applied to Georgia, its language was so broad that it clearly applied also to the two other states, Mississippi and Maryland, that use a form of unit voting.

Justice Douglas delivered the court's opinion. Justice Harlan was the dissenter.

Douglas said in his opinion: "The conception of political equality from the Declaration of Independence, to Lincoln's Gettysburg Address, to the 15th, 17th amendments can mean only one thing—one person, one vote."

In a concurring opinion Justice Clark said today's decision involves only statewide elections of a U.S. senator and of state executive and judicial officers responsible to a statewide constituency.

"Within a given constituency, there can be room for but a single constitutional rule—one voter, one vote," Clark said.

Clark apparently wrote his concurring opinion to stress that the decision does not involve the validity of a state's apportionment of geographical constituencies from which representatives to the state's legislative assembly are chosen.

The decision was the first involving voters' rights since the Supreme Court on March 26, 1962, in a landmark Tennessee case opened the door to litigation of legislative reapportionment questions.

The court did not then say what standards would be fair in legislative districting.

Under the Georgia system, each county is assigned a certain number of unit votes in the primary election.

Arkla Hires Another State Legislator

LITTLE ROCK (AP)—The Arkansas Louisiana Gas Co. added another state legislator to its payroll Saturday with the announcement that state Sen. Clarence Bell of Parkin had been appointed community and industrial relations representative for eastern Arkansas.

Arkla President W. R. (Will) Stephens said the appointment was effective immediately, but that Bell would be allowed to fulfill his present contract with the Parkin School District. Bell has been superintendent of the district since 1941.

Other state legislators on the Arkla payroll are Stephens, a representative from Grant County, and 1963 Speaker of the House Marion Crank of Little River County.

Bell has been a member of the state Senate since 1957, and has served several times as Gov. Orval E. Faubus campaign manager. He will continue to make his home at Parkin.

Five Held in News Vender Burglaries

City Police have arrested five young Hope boys, aged ranging up to 17, in connection with the thefts of money from newspaper vending machines in recent weeks.

Police Chief Jack Brown said the youths had admitted to the thefts which occurred at Ideal Cafe, Barry's QuickSak and Tarpley's Motel. The machine broken into belonged to the Arkansas and Texarkana Gazettes.

Officers also revealed that Buick Agency on Third Street was entered sometime Sunday through a rear window and some small change was taken from a cash drawer.

It was also reported that Larry Powell escaped serious injury Saturday night when his auto went out of control and ran into a ditch on Highway 29 south. He was alone. A Herndon-Cornelius ambulance brought Powell to a local hospital for treatment of a back injury. He is not considered seriously hurt.

Hamm of Hope, a brother, Opie Logan of Heber Springs, two sisters, Mrs. L. B. McIntosh of Ontario, Calif., and Mrs. J. W. Southernlin of Simi, Calif.

Court Ruling Is Rapped by a Minister

LITTLE ROCK (AP)—The pastor and missionary pastor of Little Rock's Central Baptist Church have criticized the Arkansas Supreme Court's decision in the Traskwood church case as a violation of the constitutional guarantee of church and state.

The court held that Elder A. Z. Dovers should be restrained from preaching in the Traskwood Church because he preached doctrines contrary to the fundamental beliefs of the faith.

A majority of the congregation had voted to retain Dovers, but a minority filed suit to oust him.

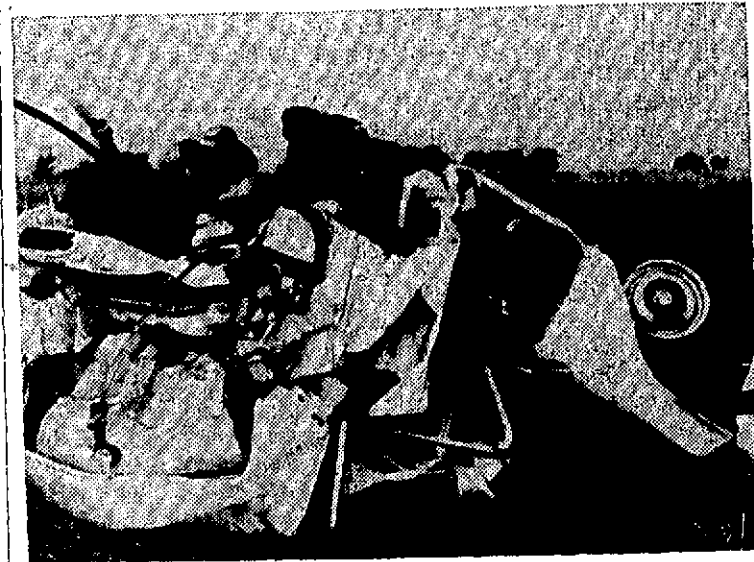

The Rev. M. L. Moser Sr., pastor of the Central Baptist Church, and his son, the Rev. M. L. Moser Jr., missionary pastor, attacked the decision in church and in The Baptist Challenge, a publication of the younger Moser edits.

The elder Moser said in a sermon Sunday that the decision was as "unjust as any court ruling under communism, Hitler, Mussolini or any other totalitarian government." He said it would open the door to religious persecution in the U. S.

The younger Moser wrote in an editorial in the magazine, "This makes the Supreme Court the final arbiter over church matters. T. rather than the majority. Where is then church autonomy? This decision could mean the end of religious freedom and Chief Justice Earl Warren, a Baptist, participated in the majority vote of the court to destroy the sovereignty of the local church."

Printers Vote to Continue Striking

NEW YORK (AP) — Printers have voted to continue their newspaper strike here, dimming hopes of getting eight major dailies back on the streets this week.

By a margin of 64 ballots—1,621-1,557—union printers voted Sunday to reject a contract settlement proposed by Mayor Robert F. Wagner and approved by publisher and union negotiators March 8.

The strike by Local 6 of the International Typographical Union began last Dec. 8—101 days ago—against four newspapers. Five other major dailies closed voluntarily at the same time, but one, the Post, resumed publication March 4.

Publishers' representatives expressed regret at the printers' rejection of the proposed settlement.

The vote raised the possibility that the ITU Executive Council might submit the proposed settlement to a referendum of the entire membership of Local 6, including some 6,000 commercial printers and the 3,000-odd newspaper printers.

Two large units of the New York Newspaper Guild voted Sunday to extend their current contracts, as the printers had demanded, so that the pact would expire simultaneously with those of nine newspaper craft unions.

Woman Held in Husband's Slaying

BENTON, Ark. (AP) — Mrs. Mearle Kryer was scheduled to appear before the Saline County Grand Jury here today in connection with the slaying of her husband last Saturday.

Sheriff Guy Grant said Sunday night the shooting occurred at the couple's home at Alexander, a town about half way between Benton and Little Rock.

Grant said Herman Kryer, 54, was killed by one blast from a 20-gauge shotgun. The sheriff said Kryer was hit in the back.

Pros. Atty. Lawson Glover said he was told by the woman that she was struck by her husband and knocked down. Glover said she told him that she picked up the shotgun and warned her husband that she would kill him.

Glover said Mrs. Kryer told him her husband told her to get on with it if she was going to do it. He turned his back on her and raised his hands above his head.

Temperatures were expected to average about 6 to 12 degrees above normal. A cooling trend was expected in the middle of the week to greet the first day of spring Thursday.

Rainfall varied considerably in the estate over the weekend. Harrison recorded .38 of an inch, Little Rock got 1.06 inches and Texarkana had .61 of an inch.

Brazil Reacts Angrily to U.S. Charge

BRASILIA (AP) — President Joao Goulart has reacted angrily to U.S. assertions that Communists have infiltrated his government.

Goulart demanded that President Kennedy personally clarify the charge made by the State Department in a published statement to the House subcommittee on Latin-American affairs.

The Brazilian president ordered his finance minister, Francisco Sa Tiago Dantas, to suspend negotiations, now going on in Washington, for more U.S. dollar aid.

The president apparently was influenced by powerful left-wing nationalists among whom anti-American sentiment frequently runs high.

The House report showed that the Communist infiltration claim was originally made by U.S. Ambassador Lincoln Gordon, but the State Department in Washington accepted full responsibility and said it should not be attributed to Gordon.

Nevertheless, it appeared that Gordon's future usefulness in Brazil had been seriously impaired. The pipe-smoking former Harvard professor has been personally close to Goulart and other members of the Brazilian government. His suggestions to Goulart have sometimes carried enough weight to be issued as official recommendations.

Diplomats here were surprised at Brazil's tough reaction since the charge has frequently been made in this country. They also were puzzled, that the State Department chose this particular time to make it public in Washington.

JFK in Costa Rica for Talks With Latin Neighbors

By RICHARD G. MASSOCK

SAN JOSE, Costa Rica (A)—President Kennedy sits down today with the chiefs of five Central American republics and Panama to discuss how the United States can help them promote economic union.

Some of the Latin American presidents indicated they also wanted to plan steps to check the spread of communism from Fidel Castro's Cuba, but informants said Kennedy sent a message asking that the conferees avoid consideration of joint measures against Castro at this time.

Kennedy reportedly asked that the three-day conference concentrate on such problems as economic integration of the Central American states.

President Francisco J. Orlich of Costa Rica has stressed that a prime issue is Central America's integration into a common market of Guatemala, El Salvador, Honduras, Nicaragua and Costa Rica. They hope that Panama will join eventually.

The Central American leaders hope to get moral support and financial aid from the United States under Kennedy's Alliance for Progress. They were expected to give Kennedy a list of economic measures they consider most urgent. The primarily agrarian states have been hit hard by drops in world prices for coffee and other commodities.

The five visiting presidents held a three-hour conference with Orlich Sunday. No formal statement was issued, but President Ramon Villeda Morales of Honduras said they discussed only economic matters.

"There was absolute agreement among all the presidents," he said.

It appeared doubtful that Kennedy would be able to sidestep the Cuban problem altogether. The president-elect of Nicaragua, Rene Schickel, told a news conference that the Cuban issue should be settled as soon as possible through regional action under the inter-American system.

The chairman of the Organization of American States, Gonzalo J. Facio of Costa Rica, predicted in Washington Sunday that the conference would forge a joint policy to topple communism in Cuba.

Prime Minister Castro decided the San Jose conference.

"The imperialists know they are sitting on a volcano all over the Americas," he said over Havana television.

Accompanying Kennedy to the conference were Secretary of State Dean Rusk, Assistant Secretary Edwin M. Martin, specialist in inter-American affairs; Tedodoro Moscoso, U.S. coordinator for the Alliance for Progress, and Sens. J. W. Fulbright, D-Ark., Bourke B. Hickenlooper, R-Iowa, and Wayne Morse, D-Ore., and Reps. Thomas E. Morgan, D-Pa., William S. Maillard, R-Calif., and Armistead I. Selden Jr., D-Ala.

Accuses Plant of Labor Violations

WASHINGTON (AP) — A trial examiner's ruling that Ed White Shoe Co. of Paragould, Ark., committed unfair labor practices has been upheld by a three-member National Labor Relations Board panel.

The NLRB announced Sunday that examiner Ramon Donovan was affirmed in his Nov. 27, 1962, decision. Donovan ordered the company to cease and desist from interrogating employees, threatening them with loss of their jobs, and any other form of restraint to self-organization.

The action was brought by the Boot and Shoe Workers Union.

Women Tell of Testing in Cuba of Red Missiles

MIAMI, Fla. (AP)—Two American women, the first of more than 20 American prisoners expected to be freed from Cuban jails within six weeks, claim that while in prison they heard Russians test-firing missiles.

"I don't think they could be small ones," one woman said. "They shook the prison bars in our hands."

The women were released unexpectedly Sunday, "with no strings attached," according to James Donovan, the New York lawyer who negotiated their freedom.

Donovan said the other native-born Americans will be released when delivery of the \$53-million Bay of Pigs prisoner ransom was completed. That should take about six weeks, he said.

Donovan also said Cuban Prime Minister Fidel Castro had agreed to free nine skin divers arrested six weeks ago if the New York attorney could prove them innocent of counterrevolutionary activity.

One of the women, who spent more than two years in Cuban jails, said the Soviets are testing missiles at an underground rock quarry six miles from Guanajay Prison, 15 miles from Havana. That is one of the sites where the Soviets installed intermediate range missiles before last October's Cuban crisis.

Geraldine Shamma, a native of Boston, said the tests were conducted every three or four days and were powerful enough to shake the bars of the prison. Mrs. Shamma said prison guards, who became her friends during 30 months confinement, told her the missiles are being test-fired in a horizontal shaft leading from the quarry.

The stocky, gray-haired Mrs. Shamma said she was instructed not to divulge any information because it might prejudice the Cuban regime against the remaining Cuban prisoners.

But she said: "I hope they don't think I'm going to sugar coat all this treatment we've had. It was awful. We were freed for nothing. If I thought they had paid any ransom for me, I wouldn't have come back."

The other woman, Martha O'Neal, whose parents live in Orlando, Fla., wouldn't talk about the missiles. However, at one point she said, "I heard them so often that I became used to them and didn't even notice the noise."

They said they had been charged with counterrevolutionary activity and sentenced to 10 years. Neither would be specific about the charges. Mrs. O'Neal said she was arrested Dec. 15, 1960 at a friend's house. Mrs. Shamma said she was arrested Nov. 4 1960 at her home.

Florida City Distressed by Refugees

By BEN FUNK

MIAMI, Fla. (AP)—The flood of Cuban exiles has brought economic distress to this city of refuge and the only solution is a stepped-up resettlement program that will spread the load over other parts of the nation.

This was the gist of testimony Thursday at a hearing called by Florida congressmen Dante Fascell and Claude Pepper to determine just how serious the problem has become and how it can be corrected.

A wave of fear swept through Miami's huge Cuban colony when the hearing was announced.

"The refugees fear that we have entered into a policy of co-existence with Castro Cuba," said Wendell Rollason, director of the Inter-American Affairs Commission, a private organization concerned with problems of the exiles.

Fascell and Pepper asked each Cuban witness to assure his people that the United States government is dedicated to the overthrow of Castro and the return of freedom to Cuba.

He asked that the Cubans be told also that the hearing did not grow out of any feeling of hostility but "out of the need to help our own people who are in distress."

There was conflicting testimony over how many Cubans are in Miami and how many have moved into jobs formerly held by Floridians.

Labor leaders testified that the Cubans were forcing Americans agency at Bentonville.

At Rogers, members of the post and its adult workers stations observers at three strategic points to watch for tornadoes. At Bentonville the Civil Defense agency set up a warning siren to sound the alarm, just as other Civil Defense sirens in some cities are to be used in the event of nuclear attack.

The worst tornado in the state's history smacked the town of Judsonia on March 21, 1952, and two other tornadoes swept down on the same area at the same time.

Between 3 p.m. and 7:45 p.m., 131 persons were killed, 711 injured, 812 homes were destroyed and 902 homes were damaged.

Former Gov. Sid McMath estimated damage at \$25 million and asked former President Harry Truman for federal aid. Cities held mass burials for the dead.

Hardest hit was Judsonia, which counted its dead at 57, its injured at 346 and its property damage at almost \$4 million.

Other towns hit by twisters that day were Dierks, Paron, Bald Knob, Mayflower, McCrory, Harrisburg, New England, Hazen, Cotton Plant and Marked Tree.

The Weather Bureau said tornadoes generally move from southwest to northwest. Their paths range from 10 to 40 miles long but they have been known to travel up to 300 miles, the bureau said. The width can range from a few feet to a mile.

Tornadoes, though immensely destructive, can at times seem like playful things. Ed Tyler, an employee of the Skylark Drive-In Theater at Pocahontas in 1961, said he jumped into a pickup truck when he saw something "black and coming at me."

He said the truck was lifted from the ground, with him in it, spun around several times and put down.

"I was hanging onto the steering wheel with my feet out the door," he said. "I thought I was a goner. He wasn't injured. The event, which Tyler said took place May 15, 1961, was also witnessed by Maynard Reynolds.

Hickmon said tornadoes usually develop between 3 p.m. and 7 p.m. Meteorologically, they are caused by a mass of cool, dry air "overriding" a stream of moist warm air, usually moving north from the tropics.

The moist air is drawn up violently into the atmosphere, he said, condensing and forming black clouds, Hickmon said.

He said tornadoes most frequently appear on what seems to be a quiet hot and humid day. He said greenish-black clouds hang low in the sky and may be accompanied by rain or hail.

The sky grows darker, a swirling funnel-shaped cloud dips down and a tornado is born, Hickmon said.

DOROTHY DIX

HER MARRIAGE THREATENED BY MOTHER

By HELEN WORDEN ERSKINE

Dear Helen: My husband, though far from perfect, has been wonderful to my mother. Is she grateful? No! Because of her taunts, our marriage is about to crack up.

She calls me the battling black sheep of the family, saying she and Dad had to keep me in one county and my brothers and sisters in another to preserve peace in the family. That's tall timber talk.

Being the youngest of seven, I was forced to fight to maintain my individuality. But I'm the

out of jobs by accepting standard wages, had worked as strike breakers, and had created "a smoldering situation that could explode at any time."

Negro leaders pleaded for help, declaring that so many of their people had been thrown out of work that hunger was more widespread than it was during the great depression.

"Many Negroes have lost their homes," said Neal Adams, operator of a grocery store in one Negro district. "Negroes are cooking over outside fires because they can't pay fuel bills. Negro children are being taken out of school because they have no shoes."

"Robberies are increasing, but these are 'bread' robberies. Our people must eat. They come into my store every day begging for credit and for the scraps I throw in my garbage cans."

Harry Tyson, director of the Miami office of the Florida State Employment Service, estimated that Cubans have taken over 50,000 jobs, mostly from Negroes and unskilled whites.

Rollason said 22,000 Cubans are working, 8,000 in jobs created by Cuban capital brought into this country.

There was a wide difference of opinion on the number of refugees still in this metropolitan area of a million population.

only one who has ever done for Mama and that doesn't set well with her because she loved me the least.

When Dad died 14 years ago, though far from perfect, he took charge of the funeral arrangements. I and my husband, it's been do, do, do for her ever since, with never a word of thanks.

Instead of buying a home for us, we got one for her. To do it, my husband mortgaged his soul and to help pay off the mortgage, I went to work. Mama has money but wouldn't part with it.

Then my husband fell sick and it took all I earned to settle the doctor's bills and keep us going so there was nothing left to meet the payments on Mama's house.

That's when she began fussing but she had the money to meet those payments. It almost killed her to pay and left her in a black mood. At best, she was never easy to get along with; capricious, wilful, moody, unpredictable. How I used to pity poor Dad when she got in one of her wild spells. Now I'm the target and, being smart, she hits where it hurts the most — through my husband. Her insinuations are making him doubt me. Daily, now, he throws my faults in my face until I'm ready to leave home.

The only solution seems to be for me to make more money and complete the payments on Mama's home. But how? Do practical nurses make good money? Would I have to take a course to enter this profession? I like to do for people and have helped my husband through his illness.

Despairing Daughter: Dear Despairing: To qualify as a practical nurse, you must take a practical nursing course which has the approval of the state in which you live. This will enable you to obtain a license and earn a good salary.

Charges for such courses range from nothing to \$800. Public vocational educational systems in many communities offer them free as do Junior Community Colleges. Normally the age range is

from 17 to 50 but the demand for nurses is so great that many schools are taking older women. Educational requirements vary with the States. High school graduates are given preference but some will accept those who have finished the eighth grade.

A practical nurse earns about three-quarters of what a registered nurse gets. She will never lack for work, once she completes the course and obtains a license. Write to Committee on Careers, National League for Nursing, 10 Columbus Circle, New York 19, N.Y., for a list of schools across the country giving this course, and for further information on practical nursing as a career.

About your mother: Regardless of whether or not you decide to be a practical nurse, she should be given to understand that you and your husband are unable to help her further. Since she has the money, let her make the final payments on her home and let her other children look after

her for a change. You have done more than your share. The more you do for some people the more they want. Stand up for yourself and your husband. Your first obligation is to him.

Dear Helen: I love the man who loves my best friend. He plays us against each other and is doing a good job of it. Sometimes he acts like he doesn't want me but doesn't want anybody else to have me either. Then he'll ignore my girl friend completely and sweet talk me to make her jealous. I can't eat or sleep. —Depressed

Dear Depressed: Compare notes with your girl friend and teach that conceited man a lesson. If you let him get away with his little game, you're a couple of nincoms. Bring another boy into the picture for double dating. If your girl friend won't cooperate, how out gracefully. That will bring him back. But I don't think he's worth the taking.

Send a stamped, self-addressed envelope for my leaflet, "Is There a Test for Love?"

Dear Helen: My husband's brother used to impose upon my good nature by dropping his kids off for me to mind without so much as asking me beforehand. I never complained even though my own children were never welcome at this brother-in-law's home.

My husband finally tired of this one-sided baby-sitting business and told his brother very nicely, "No more baby-sitting unless given previous notice!" Instead of taking this in good spirit he and his wife acted like a couple of wild Indians, screaming and yelling all manner of things at us.

Now the brother has started dropping in again and I can't stand the sight of him. My husband wants me to go visit him and his dreadful wife but I just can't. Am I wrong? —Had Enough

Dear Had Enough: This is an unjust situation. Agree on a plan of action with your husband. Whatever that is, go along with him. Nothing would please that brother-in-law more than to break up your marriage. Once you have come to a decision, state it quietly. Stick up for yourself but don't be belligerent. Say, "This is it. Take it or leave it."

Have you a problem? Perhaps Helen Worden Erskine can help you. Write her in care of this newspaper, enclosing a stamped, self-addressed envelope.

Dinah Shore's NBC Tour Was Tuneful

By CYNTHIA LOWRY

AP Television-Radio Writer

NEW YORK (AP)—Ed Sullivan had the McGuire sisters singing "Danny Boy." Sunday night, but the trio of the evening was the unlikely combination of opera's Joan Sutherland, blues singer Dinah Shore and jazz vocalist Ella Fitzgerald doing "Three Little Maids From School" and "Love Come Back to Me."

Dinah's NBC tour was tuneful and stimulating and in spite of the differences in voice, style and approach to music, the three women were great together. It is a matter of regret that my television set proved inadequate for Miss Sutherland's high notes.

The color of television over the weekend was, naturally, a bright shade of green. Even NBC's Sunday afternoon golf show was filmed on a sea-and-wind-swept links of auld sod, seen in color, this was perhaps the most handsome program of the weekend to a winter-weary viewer.

CBS-Radio will broadcast its 1,000th performance by the New York Philharmonic Orchestra on March 23. Since Oct. 5, 1950, it has presented the works of 315 composers, 414 soloists and 72 conductors.

Betty White, a veteran gamester, and Barry Sullivan will kick off NBC's "You Don't Say" on April 1, when the new daytime show starts.

Lucille Ball's daughter, Lucie, 11, has a return engagement on "The Lucy Show" April 8.

Ginger Rogers will guest-star with Red Skelton April 2, in a short history of ballroom dancing, from the minuet to the bossa nova.

Sheeks in Victory at Pine Bluff
PINE BLUFF, Ark. (AP) - Jerry Sheeks of Pine Bluff kept a quick right hand darting into Alex Guajardo's face Saturday night and decided the North Little Rock batter in the finals of the state AAU boxing tournament at Pine Bluff.

The victory avenged Sheeks' loss to Guajardo last year in the finals of the same tournament. Sheeks, in command all the way, allowed Guajardo to press in, then scored with counter-punch combinations that kept Guajardo in trouble from the third round on.

Pine Bluff won the open team title with four points and the Arkansas Boys Training School took the novice title with 15 points. Sheeks was named outstanding fighter in the open division of the tournament, and Tony Passarella of Subiaco got the novice award. Guajardo got the Joe Red sportsmanship trophy.

All seven novice bouts were won on decisions. In the open Division, there was a knockout, a technical knockout and a win by decision. The six other bouts were by decision.

James Humphrey of Pine Bluff, fighting in the 160-pound class, knocked out Larry Crofton of Conway in one minute and 47 seconds of the first round.

Another of North Little Rock's Guajardo brothers, Johnny, scored a TKO over Rusty Marks of Pine Bluff in the 135-pound class.

Heavyweight Johnny James of Forrest City won by default over Windell Carter of Conway.

Two Horses Race Under New Owners
HOT SPRINGS, Ark. (AP) - Lord Scott and Kowalgia both will be racing under the silks of new owners today when they compete with seven others in the featured \$3,200 Fort Smith Purse at Oaklawn Park.

Claiming prices range from \$7,000 to \$8,000 in the mile and 70 yard event.

Lord Scott, claimed by Steve Ippolito from the Deepwood Stables after his last outing, will have a 5-pound pull in the weights under Kowalgia, who will carry 10 pound impost of 115 pounds.

Kowalgia now is racing for C. O. Vair, who claimed him from W. Hal bishop.

Other contenders in the evenly matched field are B & O Stable's Winged Victory, the Bishop Stable's Beaugia and Don McKellar's A Man who.

Completing the medium field are Marion H. Van Berg's Danny James, Mrs. F. E. Brown's Pappi Coll, Mrs. Lee Morgan's Count Rose, and Sun of Suspense, racing for Kosyra and Lukas.

David Whited will be astride Lord Scott, a 4-year-old son of Nahar, and Herbert Hamm, an apprentice rider, will be on board Kowalgia.

Seven sprints and another mile and 70-yard race complete the Saturday, Bel-Air-Mar Stable's Devil II is beat darkness and seven competitors to win the \$10,000 Rebel Handicap after a broken hub on the rear wheel of the starting gate delayed post time an hour and 36 minutes.

The chestnut son of Super Devil and Dhillane, ridden by Robert Gallimore, covered the mile and 70 yards of muddy track in 1:45 flat and paid \$4.20 \$3 and \$2.80.

Lou Roger's Blaze Starr finished second, three lengths in front of River Divide Farm's Cosmic Tip. Strolling Bird finished fourth in the field of prospective Arkansas Derby candidates.

The delay came just before the fifth race. While welders worked to repair the hub, the \$15,938 fans added some \$37,500 to the mutual pool, increasing it from about \$75,000 to about \$112,600.

The race finally got underway at 5:25 p.m. Winner was S. Jay Cee, who paid \$7.40, \$5 and \$3.60. The ninth race was canceled because of darkness.

Total mutual handle was \$774,726.

Chapter XXV
David got to the recreation pier first and pre-empted the bench behind the Free Milk kiosk. There were not many people on the pier, for a brisk wind swept along its decks and the neighborhood had once more retired to its tight, crowded rooms.

He heard the rhythm of her step on the boards. Nancy said he couldn't have - she wore rubber heels. But he insisted he had. It didn't matter - nothing mattered when he held her two hands in his and turned her so that the light fell upon the hollow in her throat, and illuminate her eyes, which were warmer than he remembered, and somehow now with the solemnity of their reunion.

He didn't kiss her. They did not even sit down. A strange reluctance swept over both of them, as if they were strangers again. No - as if they knew it was useless to lose themselves even for a moment.

"Nancy, tell me what happened?" She reached up hesitantly and brushed his hair back from his forehead.

"Why, nothing - really," she said breathlessly. "I got away with it. Miss Hanniman punished me for forgetfulness by keeping me in her office most of the day and depriving me of my liberty."

"That's all, darling? Tell me what she said to you - what you said to her. You're sure you're not keeping anything from me?" She laughed. "Don't ask too many questions, Davey. Please trust me." How dreadful to fool a man who trusts you!

"As if I didn't. But there's a daily habit of living two people have to get into, Nancy. I understand that now. They can't just drop life and pick it up again, any old time. They have to keep it alive, growing - a husband and a wife do."

He drew her to him abruptly, kissed her fiercely, until he felt the hungry compulsion in him flood through her being and back to his, and he released her. He did not kiss her again. That way was no good. They could no longer meet in a public place and kiss once, and again, and satisfy themselves with vain, childish wishing.

Nancy could not see his face clearly, but she knew it was swept by a terrible urgency. She stood forlornly where he had thrust her. She had deceived him already and she had to comfort him for that deceit, although he did not know it.

"Davey - it's only five weeks till you leave the hospital. If that's what you really want to announce it when you go..." "Forgive me," he said. "I was only thinking of myself - not of you. Five weeks! And then..." "Have you answered any ads,

Churchman Warns of Internal Enemy
LITTLE ROCK (AP) -The pastor of the worlds largest church congregation said here Saturday that if the United States were to fall it would be because internal enemies had undermined it.

Dr. W. A. Criswell, pastor of the 12,000-member First Baptist Church of Dallas, Tex., was principal speaker at the governors prayer breakfast.

"A nation is made great not by its fruitful acres, but by the men who till them, Criswell told some 300 persons at the breakfast.

Gov. Orval E. Faubus spoke briefly.

35,000 Take Polio Vaccine
EL DORADO, Ark. (AP) -Sabin oral polio vaccine was given to some 35,000 persons at 18 immunization centers in Union County Sunday.

Dr. Albert Clowney, chairman of the county medical society's vaccine committee, said that represented between 75 and 80 per cent of the county's population. He said that was the goal of the program.

Swing Into Tourney Finals

By SHELTON SAKOWITZ
Associated Press Sports Writer

Cincinnati, Duke and Chicago Loyola—the nation's three top-ranked basketball teams—along with unheralded Oregon State swing into the final round of the national collegiate championship this week after surviving the regional tournaments.

Cincinnati, No. 1 in the final Associated Press poll, will be aiming for an unprecedented third straight NCAA title. The Bearcats face upstart Oregon State in the semifinals Friday night at Louisville, Ky.

Second-ranked Duke clashes with Chicago Loyola, No. 3 nationally, in the other semifinal match. The winners meet in the championship game Saturday night after the losers play for consolation honors.

Cincinnati won the Midwest regional at Lawrence, Kan., Saturday night with a 67-60 victory over Colorado. Oregon State stunned fourth-ranked Arizona State 63-65 in the Far West regional final at Provo, Utah.

Duke extended its winning streak to 20 in turning back St. Joseph's of Philadelphia 73-59 in the Eastern Regional title game at College Park, Md. Chicago Loyola was impressive in capturing the Midwest Regionals at East Lansing, Mich., with a 79-64 triumph over Illinois.

The National Invitational Tournament at New York's Madison Square Garden continues its quarter-final round Tuesday night with six teams remaining in the field.

The big upset occurred in a quarter-final game Saturday night when top-seeded Wichita, ranked fifth in the AP poll, bowed to Villanova 54-53. The Wheatshockers had achieved national prominence last month by shattering Cincinnati's 37-game victory string.

Villanova advanced to the semifinals Thursday night along with Canisius, which eliminated Memphis State 76-67 in the other quarter-final game last Saturday evening.

St. Louis and Miami of Florida gained quarter-final berths, winning a fast-round doubleheader Saturday afternoon. The Billikens nipped LaSalle 62-61 and the Hurricanes squeezed past St. Francis of New York, 71-70.

In the other quarter-final round Tuesday night, St. Louis encounters Marquette while Miami is paired with Providence. Marquette and Providence are seeded and received first-round byes. The winners meet in the other semifinal test Thursday.

The finals will be held Saturday afternoon, preceded by a consolation game for third place.

The NAIA small college championship at Kansas City ended last Saturday night with Pan American of Texas winning the crown. Pan American defeated Western Carolina 73-62 in the final after ousting top-seeded Grambling in the semifinals Friday. Grambling gained consolation laurels with a 107-86 lacing of Fort Hayes State.

In NCAA regional consolation games for third place last Saturday, West Virginia bowled over New York University 83-73 in the Eastern Regionals; Mississippi State topped Bowling Green 65-60 in the Midwest Regionals; Texas polished off Oklahoma City 90-83 in the Midwest Regionals and San Francisco shaded UCLA 78-75 in the Far West Regionals.

Six Fighters Return to Training

LOS ANGELES (AP)—Six fighters who thought they'd have already decided three championships were back in training today as promoters hoped to recoup a \$100,000 rain loss by rescheduling their triple header on Thursday.

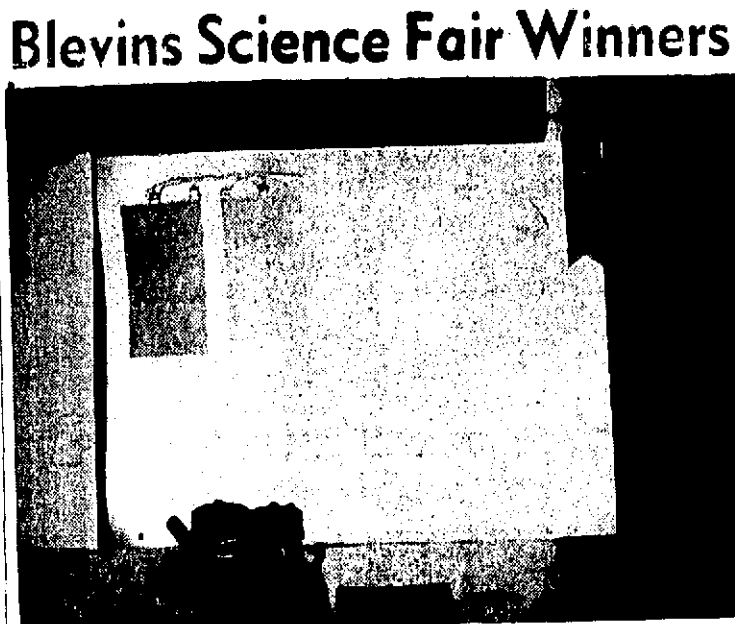

Driving rain Saturday night forced postponement of the first boxing show ever slated for Dodger Stadium but it wasn't until 30 minutes before the first bout that the card was called off.

Emile Griffith of New York was slated to defend his welterweight championship against Luis Rodriguez, the Cuban ex-patriate who now calls Miami, Fla., his home.

Featherweight king Davey Moore had his title on the line against Sugar Ramos, another ex-Cuban now living in Mexico City, while Raymundo (Battling) Torres of Reynosa, Mexico, and Roberto Cruz of the Philippines were to fight for the vacant junior welterweight crown.

After consulting weather reports that called for showers today, promoters George Parnassus and Cal Eaton decided on Thursday night starting at 8 p.m. PST again in Dodger Stadium.

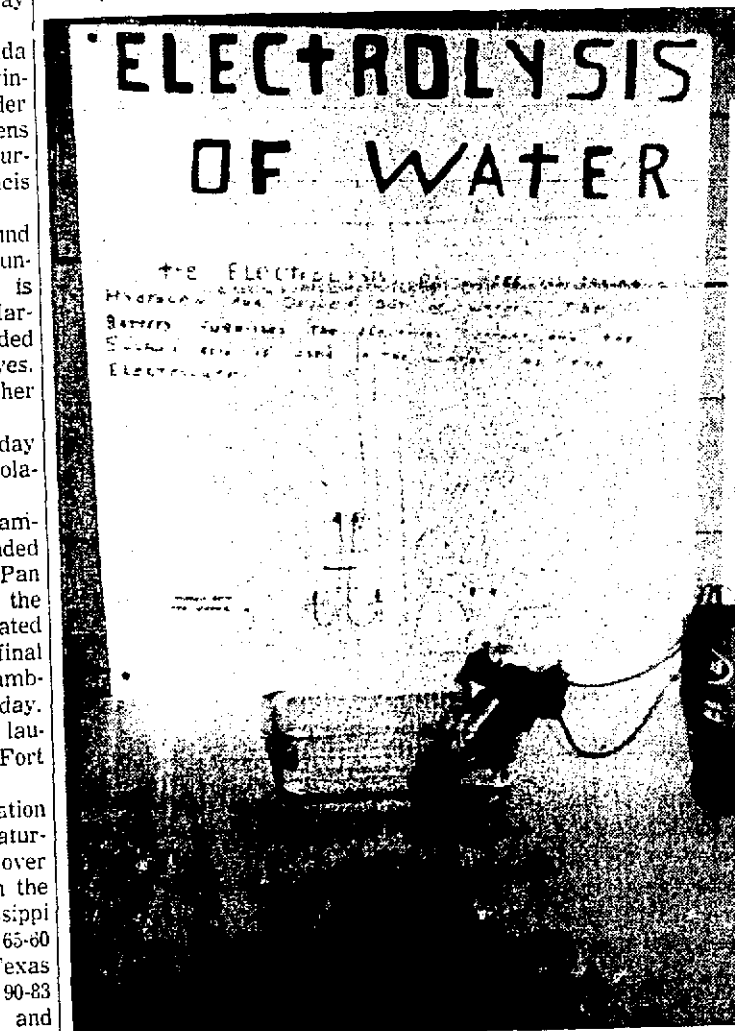

This time there will be no television and this cost the promoters \$100,000, the exact purse guaranteed Griffith to defend his title.

Floyd Goes From Rags to Riches

ST. PETERSBURG, Fla. (AP)—Young Raymond Floyd went from rags to riches in 274 strokes of his golf clubs.

In four months on the professional tour, he hadn't won a dollar. And then Sunday, with stroke No. 274—a tiny tap to knock in a ball caught on the lip of the 18th hole—he won \$3,500.

The tap gave the 20-year-old from Fayetteville, N.C., a one-stroke victory over Dave Marr of New Rochelle, N.Y., in the \$25,000 St. Petersburg Open.

He did it like Horatio Alger with a touch of Arnold Palmer: thrown in Floyd shot a 5-under par 65 in the first round, bounced to a 71 in the second, and came back Saturday with another 67. Then he added that 69 Sunday.

While Floyd was scrambling along under par, the 29-year-old Marr was losing the three-stroke edge with which he began the round. He appeared to be trying to play safe, and putt after putt stopped short. By the end of the first nine he was already a stroke over par.

Marr, a member of Lehigh Acres, Fla., who went into the round with a 20, faced a 4-under-par 64 in the third place total of 276. Tommy Bolt of Palm Desert, Calif., had a 70 to tie Rudolph.

Trainer Is Suspended at Oaklawn

HOT SPRINGS, Ark. (AP)—Audley Farm Trainer Bryan Webb has been suspended for 90 days following an Arkansas State Racing Commission inquiry into the alleged use of prohibited drugs on a race horse at Oaklawn Park in Hot Springs.

Two other men, assistant trainer Arthur M. Bosley and groom Juan Pablo Gutierrez, were reinstated.

All three persons were suspended March 5 by Oaklawn Park Stewards following an official report by the track chemist that a urinalysis had revealed the presence of a prohibited drug in Meney's Beauty, winner of the ninth race March 2.

Dr. Edwin Dunaway of Conway, chairman of the racing commission, said Webb's suspension was based on negligence and that no evidence was introduced to fix direct responsibility for administering the drug.

Money's Beauty was disqualified after the chemist's report, and Capt. Gully, who finished second, was moved up to first.

All horses trained by Webb were suspended, but were reinstated after an acting trainer was named.

Webb's suspension is effective March 5 and will expire June 5, but his suspension is effective at all other race tracks.

Bryant Takes Test, Denies Any Game Fix

By THE ASSOCIATED PRESS

BIRMINGHAM, Ala. (AP)—Alabama Coach Paul Bryant and Wallace Butts, former athletic director at the University of Georgia, have issued new denials that they were involved in an alleged football fix.

Bryant said Sunday that he has taken a lie detector test and that the results support his denial.

Butts at first refused to take such a test, and later he said he was willing but his attorney, William H. Schroder of Atlanta, advised against it.

"He said they are only 70 to 80 per cent correct and at that time I had just been through a long checkup . . . and was in something of a weak physical condition," Butts said.

The Saturday Evening Post in an article appearing this week accuses Bryant and Butts of collusion to fix the Alabama-Georgia football game last fall which Alabama won 35-0.

Bryant appeared on a statewide telecast originating at Birmingham Sunday. He said he volunteered to take a lie detector test before a professionally recognized expert.

The Post article says an Atlanta insurance salesman, George Burnett, accidentally was tied into a telephone conversation between Butts and Bryant and that Burnett heard Butts giving Bryant detailed information on Georgia plays and personnel.

about the apparent postponement. "I'm not mad at anybody. Who wants to fight?"

Liston said he would rest a week before even allowing doctors in Chicago to examine the knee which he reportedly injured while swinging a golf club in a pose for a photographer.

The injury caused a postponement from the original April 4 date of the fight, diminishing chances of a financial success at the gate since the tourist season in Miami ends late in March.

Liston said by resting the knee "I'm trying to beat an operation. If it's okay after the rest, I'll start training again in Chicago. If not, then I might have to have the operation."

What about the fight? "Makes no difference to me where it is held," said Liston. "I'd like to get it over with. Then we wouldn't have any contracts to live up to. The fight won't take any longer than the last time."

Liston won the championship last September in Chicago when he knocked out Patterson in 2 minutes, 6 seconds of the first round.

Patterson was skeptical about reports of Liston's injured knee. "Liston has been saying that he could fight me on one leg and blindfolded," said the former champion. "I don't see how such a little knee injury could stop him."

Liston broke camp in Miami Beach, Fla., Sunday and returned to Chicago to give his injured left knee a rest. The maneuver doomed all possibilities of holding the bout in Miami Beach April 10.

"What fight?" asked Liston when questioned by reporters.

Prescott's Coach Going to Crossett

CROSSETT, Ark. (AP)—Jack Robey, head coach at Prescott High School since 1960, has been chosen to succeed Harry Denson as Crossett's head football coach.

Denson resigned last week after 11 years at Crossett.

Robey, a 1957 graduate of Henderson State Teachers College, was an All-Arkansas Intercollegiate Conference end two years.

He was assistant coach at Holly Grove in 1957-58, assistant at Little Rock Catholic in 1958-59 and assistant at Warren in 1959-60 before accepting the Prescott head job.

In two years with the Curly Wolves he rolled up a 15-4 record. His selection left two vacancies on the Crossett staff. Assistant football coach Bill Brunner and basketball coach W. T. Watson must be replaced. Watson became head cage coach at Southern State College in Magnolia.

Batting in the same leadoff and second spots they occupied last year for champion Jacksonville of the International League, Davalillo and Martinez rapped seven hits and scored all Cleveland's runs in a 6-5 exhibition victory over the Chicago Cubs at Tucson, Ariz.

Elsewhere on the spring training circuit—Baltimore kept its perfect record going in a 4-3 decision over the Los Angeles Dodgers at Miami; Washington had another homer spree, downing Minnesota 8-5 at Pompano Beach, Fla.; Cincinnati bombed the New York Yankees 6-3 at Tampa, Fla.; St. Louis clipped Kansas City 12-11 at Bradenton, Fla.; Boston beat San Francisco 9-6 at El Paso, Tex.; Pittsburgh clouted Milwaukee 7-1 at West Palm Beach, Fla.; the New York Mets edged the Chicago White Sox 2-1 at St. Petersburg, Fla., and Detroit whipped Philadelphia 9-3 at Lakeland, Fla. The Houston Colts and the Los Angeles Angels were rained out at Apache Junction, Ariz.

Davalillo, International League batting champion last season with a .346 average, ripped a triple, double and single against the Cubs. Martinez, tabbed by Cleveland manager Birdie Tebbels as "the Indians' shortstop, period," collected four singles in four trips.

Jackie Brandt's two-run 400-foot homer off Ed Roebuck with none out in the bottom of the ninth inning gave the Orioles an 8-0 exhibition record.

The Senators banged out three homers for the third game in a row in beating the Twins, Chuck Hinton, Don Leppert and Tom Brown, the bonus rookie signed off the Maryland campus less than three weeks ago, connected for Washington.

The Cards overcame the Athletics after trailing 10-0. St. Louis poured across eight runs in the seventh, then won it in the ninth on Carl Sawatski's pinch homer and rookie Jeff Long's run-scoring single with two out.

The Pirates tagged Warren Spahn, Carl Willey and Cecil Butler for 16 hits and dealt Spahn his third straight exhibition setback. Bob Friend and Tom Sturdivant combined to hold the Braves to four hits.

Rookie Latins Making Mark in Baseball

By THE ASSOCIATED PRESS

A pair of prize rookies from Latin America who broke in their back-to-back batting act with a minor league champion last season seem certain bets to make baseball's big show.

They are Vic Davalillo, 23-year-old Venezuelan outfielder, and Tony Martinez, 21-year-old shortstop who came from Cuba. Both are ticketed for regular berths with the Cleveland Indians—and they showed why Sunday.
